Toasts

Yvonne

Cheers to "A dozen years to US". My Dearest Husband, twelve years of marriage feels like a heartbeat and a lifetime all at once. Each day with you has been a beautiful lesson in love. Through the laughter and the quiet moments, you are the rock I lean on. Your kindness, your strength and your endless capacity for love continue to inspire me. You know the real me, flaws and all, and you love me anyway. Thank you for this incredible journey so far. I choose you everyday with all my love forever.

Henry

Twelve years of marriage and my heart still races every time you walk into the room. Thank you for being my anchor, my greatest adventure and the softest place to land. Every single day with you is a gift, a daily reminder of how deeply blessed I am to share this beautiful life with you. Through every season, our love has only grown richer, stronger and more unshakeable. You are my past, my present and my bright forever. I love you more than words could ever possibly say today, and for all the years to come.
